You will only need one copy of the animals for each student. This page provides three copies as a help to those of you who are doing this project with a group and need multiple copies. This will cut down on your color printing costs. If you have only one student it won't increase your costs to have more than one copy on the page.

The animals in each row are (from left to right):

First row: Andean condor, chinchilla, spectacled bear, harpy eagle, tanager, flamingo, Humboldt penguin, gray fox

Second row: puma, Huemul deer, albatross, beaver, mara, giant armadillo, pink fairy armadillo, tapir

Third row: manatee, giant anteater, agouti, caracara, hog-nosed skunk, coatimundi, elephant seal, pink dolphin

Fourth row: sloth, howler monkey, emerald boa, jaguar, llama, golden tamarin, toucan, parrot
